

Certificate of Tax Credit Eligibility

Your home has been insulated with Mountain Fiber Loose Fill cellulose thermal insulation produced by Mountain Fiber Insulation, Inc., 1880 E. Anvil Blvd., Hyrum, UT 84319. Mountain Fiber Loose Fill cellulose thermal insulation is a Qualified Building Envelope Component as defined by federal legislation and Internal Revenue Service rules. By installing Mountain Fiber Loose Fill cellulose insulation in your home you may be qualified to receive a tax credit for tax year 2010, subject to the rules, regulations, and limitations established by law and Internal Revenue Service rules. **Do not file this certificate with your tax return.** Keep it with your tax records for the year in which you claim the credit. You must supply proof of eligibility to the Internal Revenue Service upon request.

This Certificate is Not intended to provide Income Tax advice. You must rely on your Tax Consultant and/or Preparer.

“Under penalties of perjury, I declare that I have examined this certification statement and to the best of my knowledge and belief, the facts are true, correct, and complete.”
